Orders must be placed by noon CST to ship Same Day

Normal business days for shipping are Monday - Friday (Saturday delivery is based on delivery location and not guaranteed). If expedited shipping is chosen, and the order is placed before noon CST, we will ship any available items immediately. Backordered items or items currently out of stock will be shipped UPS Ground or USPS Mail. We currently offer domestic shipping only. Shipping to Alaska and Hawaii is available via 2nd Day Air and Next Day Air. **(NOTE: Due to UPS's discontinuation of ground service to HI and AK, we are no longer able to ship ammunition to these states).** Shipping costs are based on the total dollar of the order and the weight of the package. Oversize products such as gun safes, light bars and partitions are subject to other fees based on UPS standard rates. Ammunition, knives and aerosol self-defense products may be subject to extra shipping charges or regulations due to hazardous material or danger if used unsafely or improperly. APO / FPO and PO BOX delivery must go via USPS and it is not eligible for expedited delivery (2nd day, Next Day)
